Masks will continue to be mandatory to be worn at the meetings. The Board members feel for now it is still for the best of our members to have this practice continuing. We also expect, however not mandatory, that all our members attending are fully vaccinated. Of course should you feel ill or have been in close contact with someone who has tested positive, we ask that you do not attend the meeting and reach out to one of our board members should you require anything in the meantime.

Projects will continue to be signed out and we look forward to seeing your completed projects.

20TH ANNIVERSARY OF THE CROCHET CLUB

Last month we celebrated the 20th anniversary of the club. It is great to see and celebrate how the club has grown from its grass roots beginning. We hope everyone enjoyed receiving their 20th anniversary commemorative item (crochet tool zippered bag, printed with our logo). If you haven't received your gift yet, please speak to a board member at the next meeting.

SILENT AUCTION BLANKETS
