HELP NEEDED

We are looking for a few more people who would be willing to load projects the day of the evening meetings. We currently only have a few people to do this and if we had a few more you would only be called upon every few months. One Board member and two members (one day, one night) meet at the Clubhouse during the day of the evening meeting. We load day projects into one car and evening projects into another and extra items into the 3rd car. If you are able to help with this job please see Marion after the meeting.

CROCHET JACKETS FOR SALE

We have a few jackets for sale, \$75 each. If you are interested please speak to a Board member.

LAMBETH LEGION POPPY PROJECT

We received the following message from Sharon Williams:

“What incredible work is being done in our community! A huge THANK YOU to the Crochet Club for the 90+ poppies that were recently dropped off to the Legion.

Your work is beautiful and your efforts are so appreciated!"

In addition, another 80 completed poppies were donated in July. Thank you to our great members for their continued efforts.
