HELP NEEDED

We are still looking for a few more people who would be willing to load projects the day of the evening meetings. We currently only have a few people to do this and if we had a few more you would only be called upon every few months. One Board member and two members (one day, one night) meet at the Clubhouse during the day of the evening meeting. We load day projects into one car and evening projects into another and extra items into the 3rd car. If you are able to help with this job please see Marion after the meeting.

REIMBURSEMENT FOR MILEAGE

We are approaching the end of our fiscal year (Sep 30th) , so if you volunteer at the clubhouse or by driving to pick up yarn donations etc and need to be reimbursed for mileage, could you please submit your reimbursement request to our Treasurer, Sian Roberts, at sian.roberts154@gmail.com. Please include the following information in your email: date(s) of trip, purpose of trip, destination, and number of kms. You will receive a cheque for the amount submitted, or if you would like to donate the amount to the Club as a charitable donation that would be much appreciated - please indicate that in the email and Sian will send you an income tax receipt. If you have any questions, feel free to contact Sian at 519-204-3730.
